The shul's yearly membership drive is in full force. It is encouraged that anyone who davens in Shul for any Tefillah should become a member.

Your membership is valuable to the Shul and will help cover rent, electricity, water, the Rav's salary, weekly kiddush, Neshei events and many more expenses. The cost of annual membership is just 1,200 shekel for the year, 100 shekel a month. There are many different payment plans that can be set up to pay, including a monthly payment. Please go to [www.zntshul.org](http://www.zntshul.org) to sign up for membership. Cash can also be given to either of the Gabbaim, Shua Schick or Chaim Dovid Kasirer. For those who cannot pay the requested membership fee, please contact the Rav to discuss an alternate membership fee structure. Even if you don't daven in shul, you could still sign up and help support our amazing Makom Torah and Tefilla!
